

GREENE JUNGLE FARM

Greene Jungle Farm is a small sustainable family farm located in the rolling hills of Ridgefield in southwest WA. We raise a variety of farm products on our 26 acre farm, including meat, vegetables, fruit, and eggs. All of our livestock is Animal Welfare Approved (www.animalwelfareapproved.org) and includes: cattle, pigs, sheep, and chickens. In order to ensure our animals health as well as fully utilize our natural resources we rotational graze all of our livestock. Our pigs and chickens eat custom made feed on the farm. No GMO Corn or Soy! The beef and lamb is AWA certified 100% grass fed. No growth hormones or daily antibiotics are used in raising our animals.

Currently, we are selling shares to our Community Supported Pasture (CSP).

Our CSP meat for fall 2017 offers 100% Animal Welfare certified grass fed beef

- We breed and raise Hereford cattle and heritage hogs in our pastures. Many farms purchase animals and later sell them to customers as their product. We breed all of our customers animal's right here on our farm. This ensures we know the entire health and diet history of the animals from birth to death. Our Animal Welfare Approved cattle are raised on our chemical free pastures and our hogs are fed our personally formulated, ground, and mixed feed, made right on our farm. The beef is double shrink wrapped or vacuum packed, lean, aged, and full flavored. Our delicious pork is vacuum packed, firm, and a deep red color. All our products are custom cut to our specifications.

The fall CSP costs \$540 for 6 monthly 10 pound boxes (60 lbs total). These boxes include a variety of cuts: steaks, ground, roasts, ribs, etc. The animals are split up evenly among all the share holders. The first box is available the week of October 16th and runs for 6 months.
